**The "Better Way" Tax Proposal:
*Implications for American Manufacturers***

July 13, 2016

1:00 – 2:00 PM

B-318 Rayburn

The "Better Way" tax proposal seeks to overhaul the United States tax code. This plan supports American manufacturers by proposing a zero percent tax on exported products and allowing for immediate expensing of business investments. We hope you will join us to learn more about this plan and its potential implications for American manufacturers.

Confirmed Speakers Include:

Barbara Angus

Chief Tax Counsel, House Committee on Ways and Means

Douglas Holtz-Eakin

President, American Action Forum

Matthew Miller

Vice President, Business Roundtable
